

CHATEAU MORRISETTE

2017 Petit Verdot

Winemaker's Description

Our 2017 Petit Verdot has a deep purple color. Broad aromas of cherry, toffee, blackberry, and violet are apparent on the nose. The palate expresses notes of plum, sage, cherry, and peppercorn. The plush tannins linger in the mouth alongside the balanced acidity.

The fruit for this wine came from one of our growers in central Virginia, who consistently produces excellent quality fruit and this vintage is one of the finest we have seen.
